COMEDY CORNER

VINTAGE FORD HUMOR

There was a little man who had a wooden leg,
He wanted to ride but didn't want to beg.
So he took four spools and an old tin can
And made a little Ford, and the darn thing ran.

A man went to a week-end house party, drove up to
the front door, didn't see any garage, hopped out of his
car and asked his host where he could put up the car.
The host asked him what make it was.

"Oh, a Ford? Take it right up to your room."

Great Golf Quotes!

If you are going to throw a club, it is important to throw it
ahead of you, down the fairway, so you don't have to
waste energy going back to pick it up. Tommy Bolt

If you drink, don't drive. Don't even putt. Dean Martin

Its good sportsmanship to not pick up lost golf balls while they are still rolling. Mark Twain

I don't say my golf game is bad, but if I grew tomatoes they'd come up sliced. Arnold Palmer

Golf is a game invented by the same people who think music comes out of bagpipes. Lee Trevino

* * * * *

A guy goes to the supermarket and notices a beautiful blonde woman wave at him and say hello.

He's rather taken aback, because he can't place where he knows her from. So he says, "Do you know me?"

To which she replies, "I think you're the father of one of my kids."

Now his mind travels back to the only time he has ever been unfaithful to his wife and says, "My God, are you the stripper from my bachelor party? That I danced with on the pool table with all my buddies watching, while your partner... you know???"

She looks into his eyes and calmly says, "No..... I'm your son's math teacher."
